SMALL COMPANY: FINALISTS

SHARPE PROPERTIES

To Mason Sharpe, Sharpe Properties' general counsel and VP of property management and leasing, three initiatives define the company as a Best Place to Work. First, its open-door policy ensures all employees have equal access anyone at the company. It encourages the entire office to sing "Happy Birthday" together, with a birthday cake for every employee. Finally, weekly team meetings give every-one a chance to brainstorm and offer input.

The success of Sharpe Properties has been built upon establishing its roots within Miami-Dade and Broward counties, and the development of longstanding relationships. Building upon its core business, Sharpe Properties continually looks to expand its property management, property maintenance and leasing expertise to others within South Florida, and is always actively pursuing other unique opportunities for growth.

As a result, it has become an employer of choice with job security, a family atmosphere, and education and experience.

Sharpe also adheres to the "1-10-100 Rule."

Sharpe Properties

"For every one person you please, they will tell 10 others; and for every one person you upset, they will tell 100 others," he says. "Therefore, make sure to please your employees and customers."
